Re: *Banegas, et al. v. Lutheran Augustana Center Extended Care and Rehabilitation*, Docket No. 12-CV-2390 (FB)(RLM)

Dear Judge Block:

We represent Plaintiffs in the above matter. We write to request a brief extension for Plaintiffs to file our motion for final approval of the class action settlement, summary of claims made, proposed final order and Plaintiffs' Counsel's fee application, currently due on April 1, 2014.

Plaintiffs' Counsel is reviewing the claims that were filed and the damage calculations provided by Defendants. Plaintiffs' Counsel respectfully requests two additional days to finish our review and analysis of the damage calculations. Accordingly, we respectfully request that the deadline to file our motion for final approval of the class action settlement, summary of claims made, proposed final order and Plaintiffs' Counsel's fee application be extended until April 3, 2014. Defendants consent to this request.

Respectfully submitted,

LaDonna M. Lusher
